

EAGLE '55

Mrs. W. B. Watkins

THE

EAGLE

Edited By The
SENIORS OF 1955

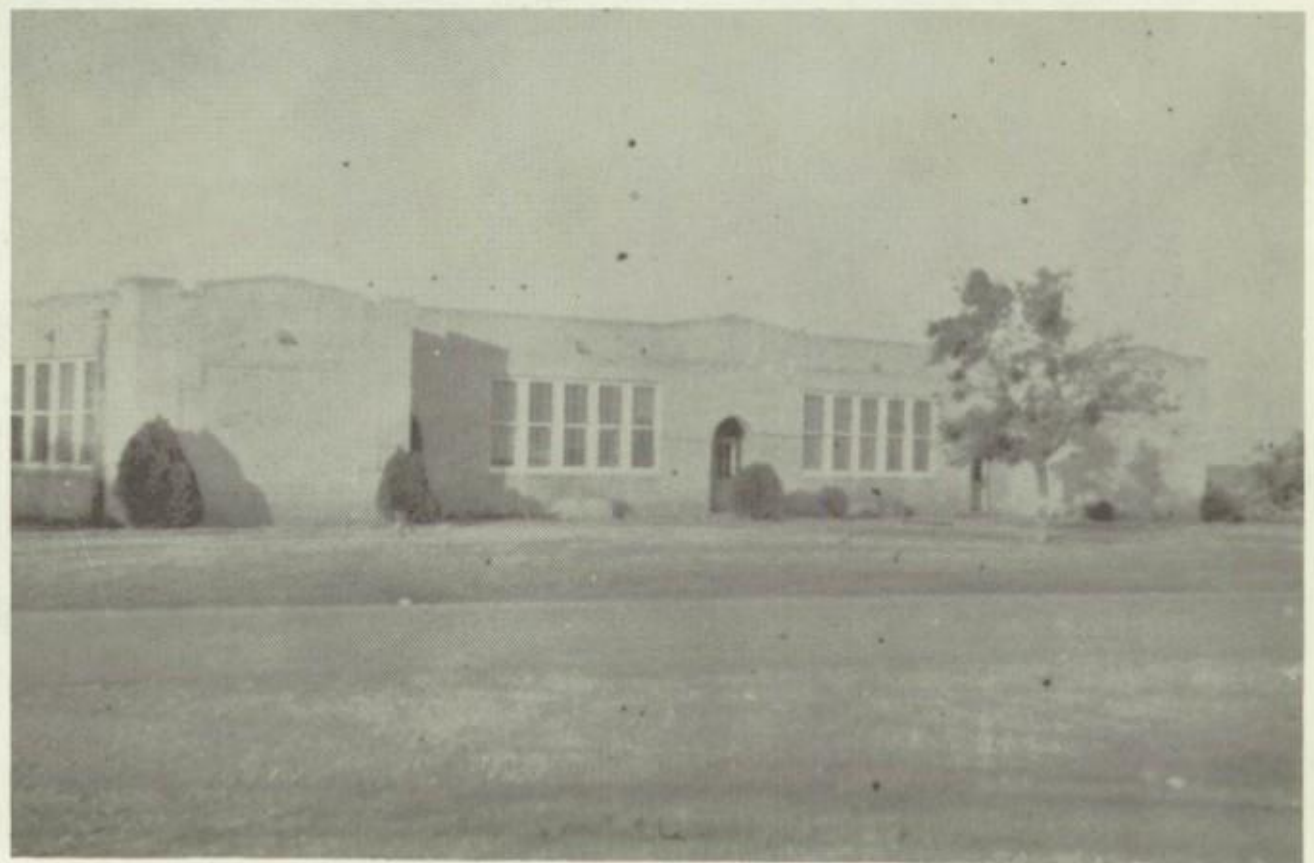

Dedication

It is only fitting and proper that we, the class of 1955, express our gratitude to our teachers for their generous help and loyalty throughout our school years.

Without their guidance, encouragement, and support we would never have had the opportunity to complete our high school education.

Therefore, we respectfully dedicate our annual, a treasure house of memories, to those teachers we have had during our school years.
